NEW STANDARD INCLUSIONS

Tribeca is committed to continuous improvement in our designs and product.

We have improved our already fantastic standard inclusions to now feature multiple improvements, making your Tribeca home or investment unmatched in quality at no extra cost.

OUR NEW IMPROVED STANDARD INCLUSIONS

Our new improved standard specifications include:

- Additional planting to the landscaping
- Additional LED lights across the home and the outdoor alfresco areas
- Additional double powerpoints to each room
- New Handheld shower rail
- Niches to bathroom and ensuite showers
- Brick finish over doors and windows where applicable, infill over garage (Note - façade specific)
- Colour through concrete driveways

OUR DIFFERENCE IS SEEN IN
THE MOST OBVIOUS PLACES,
BUT ALSO THE SMALLER ONES.
