At Verdant Hill

An intimate neighbourhood at the heart of the community.

Cardinal Fields is the second neighbourhood to be released in Verdant Hill following the sold out success of Tangerine Creek. Located at the centre of this masterplanned community, it’s nestled between Verdant Creek and planned sporting fields. Take a relaxing walk through the canopied paths, or enjoy a picnic on the weekend in the lush natural surrounds. The planned sports ovals and cricket pitches are perfect for the kids to run, play, and knock a hundred with friends after school.

Ideally positioned, Cardinal Fields is located within a 5km radius of two town centres. With the future Kenning Road Town Centre only five minutes away, you’ll have access to every amenity you can imagine. And with Tarneit Station only 2km away, you’re only a short trip to Melbourne CBD and Geelong.

Everything your growing family needs is at your doorstep in Cardinal Fields.
