05:45

An early morning cycle and a few laps of the pool. The perfect start to the day.
MERRIFIELD 24/7
FROM SUNRISE TO SUNSET, MERRIFIELD WILL HUM WITH LIFE. THE BUSINESS OF EVERYDAY LIVING.

HOMEWORK DOESN’T DO ITSELF
Families will thrive at Merrifield. A great range of community facilities and services will be within easy reach. There is a good mix of primary and secondary schools locally, with more to come. An on-site community centre, complete with kindergarten, maternal and child health care, is also planned. It will also include spaces for adult education, arts and cultural programs.

EVERYDAY IS ‘RIDE TO WORK DAY’

The city centre will offer ample space for cyclists to store their bikes while they work. Local cycle ways and plenty of wide-open spaces mean you can easily pedal into and around town.

MAKE MINE A LATTE

Whether you’re a fan of an early morning coffee or afternoon tea, this kind of city loves to sit down and share a coffee or meal with friends. Options will abound at Merrifield where cool cafes, casual eateries, sandwich shops and delicatessens will bring the city centre to life. Go no further than your own neighbourhood for a proper espresso, a crunchy baguette or something sweet for the kids. Get ready to enjoy the knowledge that your favourite little cafe knows just how many sugars you need to start the day.

RELAX WITH FRIENDS

Start imagining a life where Sunday afternoon sees you catching up with friends over a glass of wine.

Merrifield City Centre will be the retail, leisure and business hub of your new city.

merrifieldmelbourne.com.au
Merrifield’s city centre is the perfect location for corporate headquarters and large scale operations will flock to the 300 hectare, purpose-built business park. In addition, employment opportunities will flow from all the retail businesses and services required to cater for the residents of 4,000 new homes. Merrifield’s strong foundations will support the long-term economic growth of both the Merrifield community and communities throughout the northern region.

The combination of big and small business opportunities at Merrifield means the potential for 20,000 new jobs to exist right where you live. Leave the rat race and the gridlock behind when you move to a chic urban city that is purpose built to enhance and support contemporary life. Upon completion, Merrifield’s business precincts will be more than 1.5 times the size of Melbourne’s CBD. Welcome to Victoria’s new heartland of business activity.

Merrifield’s innovative business park will accommodate a broad range of business operators and attract the level of investment that is fundamental for a thriving and robust local economy. Employment opportunities in countless fields will develop. Merrifield residents can work closer to home, meaning less time spent travelling and more time to spend with friends and family.
A 300 hectare, purpose-built business park means your new city is located alongside one of Victoria’s key business hubs.

Transport, infrastructure, a high quality landscaped environment and a broad range of additional business support services will combine to deliver a state-of-the-art business precinct. Merrifield Business Park is not just an industrial estate.

Around the clock operations mean much more flexible employment opportunities will be available to local residents. The business park, strategically located at the junction of the Hume Freeway, Donnybrook Road and the future Outer Metropolitan Ring Road, will form the new gateway to Melbourne. Business and Government alike acknowledge the crucial national importance of this location when it comes to transport, manufacturing, freight and logistics activities.

Residents of Merrifield will be part of the strong and growing skilled workforce of Melbourne’s northern region. Community and businesses will prosper from reliable, uncongested access to an expanding network that connects Merrifield to major domestic and international markets.
BEHIND MERRIFIELD

With plans that include state-of-the-art housing, retail and commercial areas, plus waterways, sports fields and playgrounds, an unrivalled degree of expertise and experience will ensure the Merrifield vision becomes a reality.

THE BRAND DESIGNER

NICHOLE BARSENBACh

“to me, Merrifield will represent the pinnacle of modern urban living. as a brand designer i’m admittedly quite particular about the environments i spend time in – whether that’s my home, the restaurant i go to or the stores i shop in. having the opportunity to create a brand for an entire city has been an exceptional opportunity.”

THE TOWN PLANNER

MELINDA CATLOW

Contour Consultants

“I’m not sure a town planner gets a more exciting opportunity in their career than Merrifield. Developing the vision for a new regional CBD, just a short drive from what we all think of as ‘the world’s most liveable city’, is very inspiring.”

THE LANDSCAPE ARCHITECT

BARRY MURPHY

Mdg Landscape Architects

“It’s not often you get to design the green spaces of an entire city from scratch. the space available at Merrifield has really given us the freedom to create unique landscape zones that offer a wide range of opportunities to meet, play, relax and get fit.”

THE CONSULTANTS

Merrifield represents the pinnacle of creative and inspiring undertakings for the experienced team working behind the scenes.
MERRIFIELD IS A JOINT VENTURE BETWEEN MAB CORPORATION AND GIBSON PROPERTY CORPORATION. WITH UNRIVALLED EXPERTISE AND EXPERIENCE IN THE PLANNING AND DELIVERY OF LARGE MASTERPLANNED PROJECTS, MERRIFIELD IS THEIR LARGEST AND MOST VISIONARY DEVELOPMENT TO DATE.

“Our philosophy is simple – to create contemporary and thriving mixed-use environments which encourage people to work, live, play and prosper. At Merrifield, we are extremely proud and excited by what we have planned to deliver – a new heart for Melbourne’s north.”

“People and jobs are the foundations of new communities. But it is our role to ensure that our vision and masterplan provides for all the services and infrastructure that contribute to modern city living – like schools, jobs, parks, health and community facilities, shops, roads, public transport and sporting facilities. It is all here at Merrifield.”

“Mab and GPC have a proud history of delivering high quality developments throughout Melbourne. The guiding principle is to create vibrant and sustainable communities, with access to employment, education, health services and facilities. Their efforts have been acknowledged with 22 industry awards for architecture, urban design, planning and mixed-use developments over the past 20 years. Through a solid partnership and a highly experienced team, MAB and GPC have a strong reputation of delivering on their vision.”
