YARRABILBA

Created by

lendlease

be part of a brighter future

Children laugh on their walk to school as birds welcome the day. Sprinklers fire over sporting fields. Runners' feet pound the pavement. Cafés buzz with activity and local businesses open their doors. This is the sound of life at Yarrabilba, the place of song.

Perfectly positioned between Brisbane's CBD, the Gold Coast's stunning beaches, renowned theme parks and Mt Tamborine's award-winning wineries, Yarrabilba really is in the middle of it all. Balance your busy lifestyle with weekend escapes and the weekday convenience of living in a meticulously planned community.

For hundreds of years this land has shaped the lives and fortunes of diverse peoples, from Aboriginal clans who called the valley a 'place of song' to European immigrants who farmed the soil, and American soldiers who trained for war. Now, new residents are writing their own chapter of the Yarrabilba story.

The community is fast taking shape, with residents already enjoying shopping, schools and incredible community facilities at their doorstep. Many more facilities are planned – from a major town centre with specialty shops, cafés and restaurants, to village centres, business precincts and up to 11 schools.

More than one quarter of Yarrabilba will become parkland, sporting fields and nature habitat sanctuaries, all linking to a surrounding bushland rich with history.

With the latest house and land offerings from Lendlease tailored to suit a wide range of lifestyles and budgets, there's never been a better time to be a part of one of Queensland's best-selling residential communities.

be part of the family

At Yarrabilba, you'll find real community spirit and more ways to connect – from festivals and family events to sporting groups and kids' clubs.

Local community groups and welcome events make it easy to meet new friends. Stay up-to-date via the community newsletter, or join the Yarrabilba Residents' Association and be involved in the events and important matters that shape the community.

Take advantage of the surrounding facilities by getting active in the outdoors. Try a brisk morning group walk at Darlington Parklands, or get your heart pumping with a five-kilometre Parkrun. Organised by volunteers, the weekly run now attracts over 70 runners every Saturday morning.

Darlington Parklands' water play area, climbing dome, flying fox, fortress with slides, outdoor gym, half basketball court and swings will help keep the whole family busy and healthy.

Spend quality family time kicking some goals on the footy field of Shaw Street Oval or shooting hoops on the multi-purpose courts. Let the dog off the leash at the dog park, or stroll through the community gardens. Meet fellow green thumbs at the Garden Group who are always ready to share their tips for a flourishing veggie patch. Yarrabilba gardeners have over 410 square metres of prime gardening space to enjoy, including planter beds and compost bays.

And there's more to come. Plans are underway for a new community space in the Shaw Street Oval precinct. That means more places to meet, train and enjoy the experience of being part of a strong, welcoming community.

Enjoy horse-riding or bushwalking through neighbouring Plunkett Conservation Park or admire views of rock pools and waterfalls from Cedar Creek Falls in nearby Tamborine National Park. Rich in history, Yarrabilba is the land of the Aboriginal people who spoke the Yugambeh language and once used its extensive sandstone features. During World War II, it became the American Army's base, Camp Cable.

Be part of a community that values its history and protects the natural environment. Vegetation corridors of native trees and plants integrated with storm water controls are embedded into Yarrabilba's design to create

a cleaner, greener community. All waste vegetation including pine trees from the old plantation are chipped and used as garden mulch, while all site soils are carefully managed and reused within the land to minimise the need to import from elsewhere. Ongoing sustainability measures will ensure the health of the natural environment into the future.

With protected wildlife corridors integrated into the community and thickly shaded 'greenway streets' connecting parks and green areas, both you and native animals will always have easy access to nature's beauty.

be amongst nature

Watch your children play and grow in a community connected by nature.

Leave the car in the garage and wind your way along the growing network of walking and cycling pathways through parkland and bushland reserves. Soak up the sun at Darlington Parklands and Shaw Street Oval or enjoy family time in one of the many shaded barbeque areas.

be inspired to learn

Experience the convenience of learning close to home.

A comprehensive range of education facilities to teach and inspire children and adults alike will be available just moments from your doorstep, with childcare centres, community business facilities and up to 11 public and private schools planned for the future.

Bambini, Yarrabilba's first early childhood education centre, offers quality teaching in a safe, nurturing environment, with cleverly designed outdoor playscapes to spark the youngest imagination.

From 2017, you can watch the kids walk to school. St Clare's Catholic Primary School will begin classes in term one, catering for up to 770 students from prep to year six. Yarrabilba's first public primary school will follow in 2019, with secondary schools planned for the future.

In the meantime, kids can catch the bus to local schools, including the nearby Logan Village Primary School, with stops along Yarrabilba Drive.

Learning is not just for kids. Boost your skillset or kick-start your career with locally organised community workshops and easy access to higher education facilities. It's just 30 minutes' drive to the University of Southern Queensland and TAFE Queensland South West and less than an hour to major Brisbane and Gold Coast universities.

High-speed broadband to all homes also gives you extra opportunities for online learning.

be open to opportunities

Yarrabilba's shopping and business districts are about to boom. A local convenience centre with an IGA opens in 2016, along with Yarrabilba Village, a retail and medical centre with Domino's Pizza, café and deli, doctors' surgery, dentist, skin clinic and hair and beauty services. Between Yarra Health and its sister practice in Logan Village, you have access to medical services outside of work hours and on the weekend.

Coles supermarket will bring fresh food shopping even closer to home, along with a host of specialty stores. In the meantime, it's a short drive to Woolworths Logan Village, Grand Plaza Shopping Centre, which has a cinema and specialty stores, and Logan Hyperdome, for the full shopping and dining experience.

Of course you can pick-up everyday essentials from the all-hours Caltex Service Station and Star Mart right now.

Local employment opportunities will grow as the community blossoms. From the business hub to the future town centre, there are plans for more than 13,000 jobs on-site, including plenty of possibilities for home-based businesses.

For the entrepreneurs there are new business ventures at Yarrabilba's 100-hectare mixed industry and business area. With fully serviced, generous sized blocks, it's the ideal site for showrooms, offices and service industries. A streamlined approval process ensures new businesses get up and running fast.

Stay connected with the community's lighting-speed fibre optic network and local opportunities for business networking.

Work or play, Yarrabilba makes it possible to do it all without leaving the comfort of your community.

STEPS TO PURCHASING A NEW HOME

1 Get started

- Establish your budget and work out how much you can spend.
- Choose your land and secure with a deposit.
- Sign land contract & seek finance approval with your preferred lender or broker requesting a construction loan.

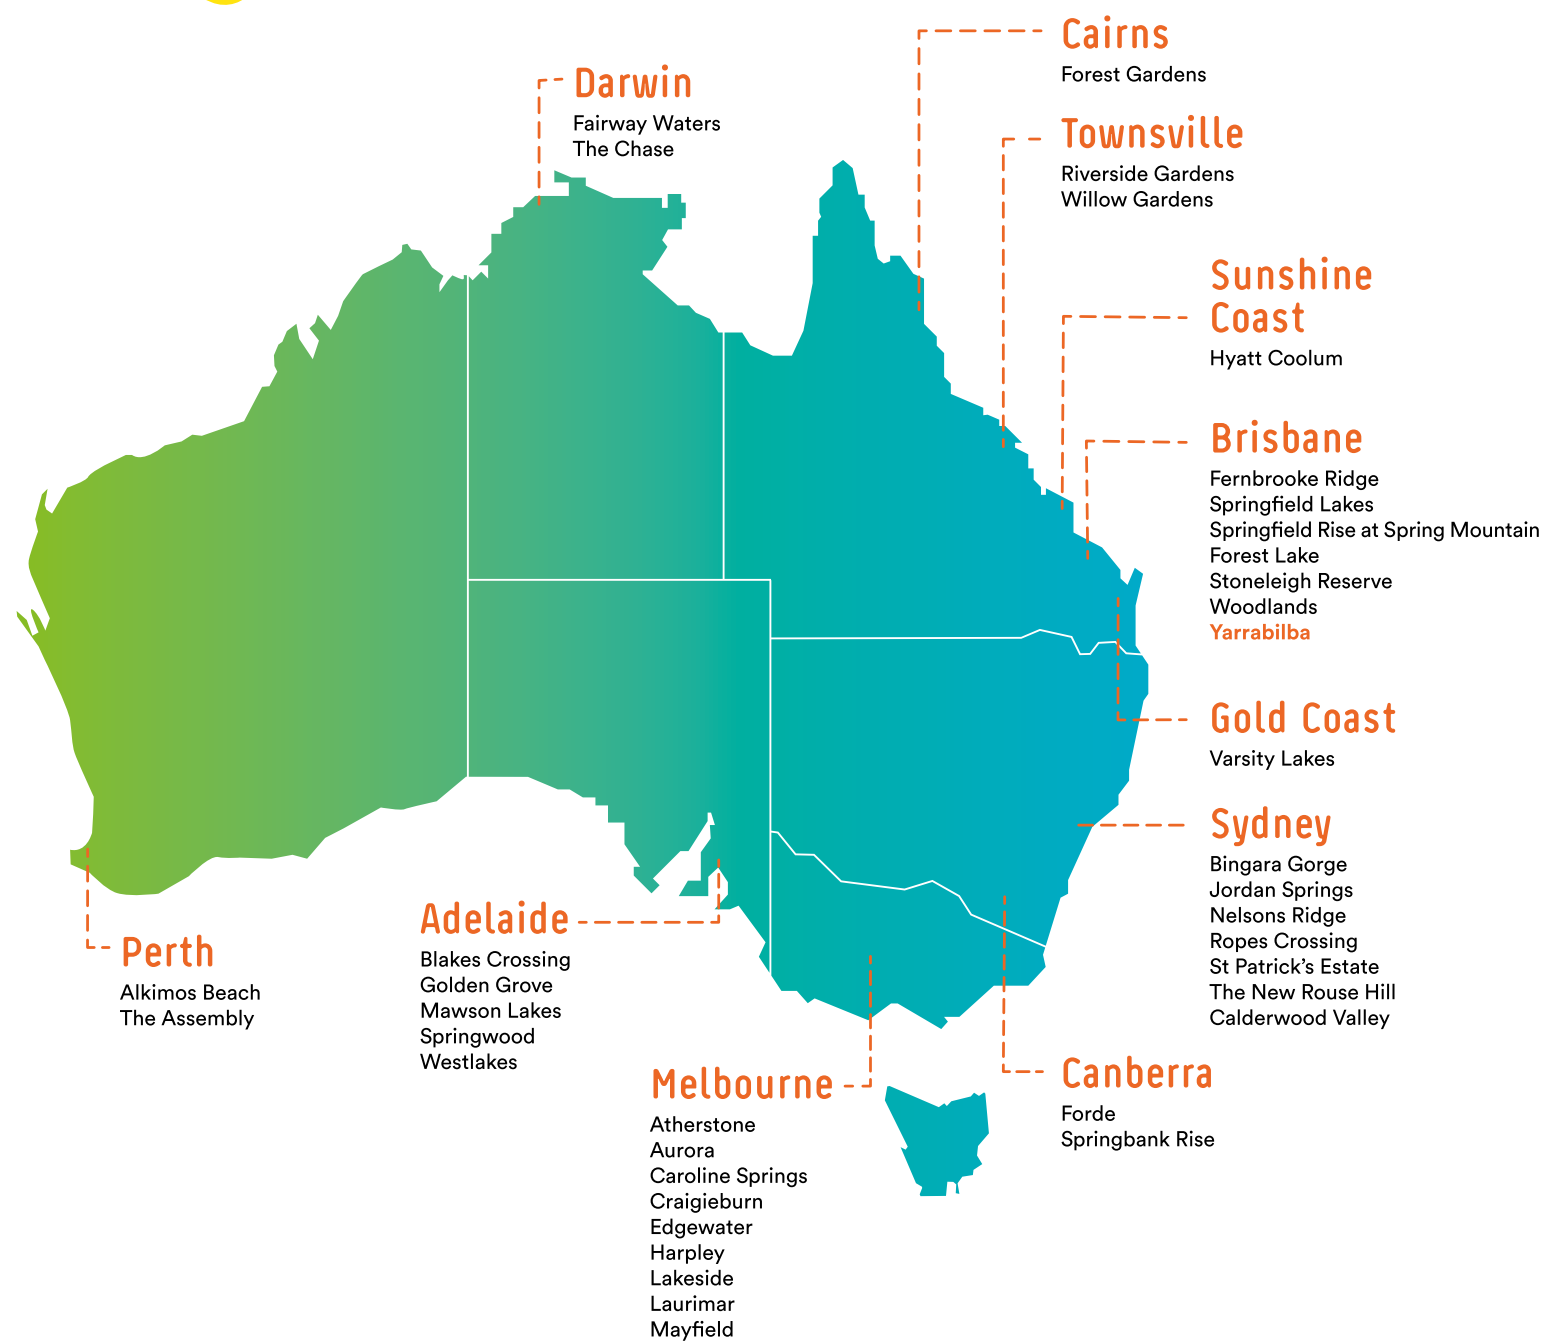

2 Choosing your home & finance

- Choose a builder and start designing a home to suit you.
- Pay deposit to builder.
- Obtain finance approval and send a copy to your land sales consultant and builder.

3 Construction & moving in

- Land registers and settles and you can commence building your new home.
- Make progress payments to builder throughout stages of the build.
- Handover with builder and move in. Congratulations!
