

THE
ASTER
COLLECTION

Celebrating The Aster Collection, the first stage to be released at Bellevue Residences, 14 grand land lots in the stunning hills setting of Norwest.

Lot 208

Legend

- Sewer & Stormwater
- Electrical (Underground), Water, Gas (Underground) and NBN (Underground)

This plan shows the anticipated dimensions, area and topography of the lot and the proposed location of services and other infrastructure. Aqualand does not guarantee that the information provided on this plan is accurate, or will be consistent with the actual configuration of the lot or location of the services when the land is subdivided. Although this plan has been provided to the best of Aqualand's knowledge and belief, interested purchasers should not rely on the information on the plan, but should instead obtain independent advice and refer to the terms of the contract for sale of land.
