DESIGN A BRIGHTER FUTURE

The perfect place to raise your family and a wonderful place to invest, Bella Rise lies at the heart of Riverstone within a renowned growth corridor.

A masterplanned community of the highest calibre, Bella Rise has been designed to provide exceptional lifestyle opportunities for both owner-occupiers and investors. Complete with onsite childcare, the estate comprises flexible options for buyers. There's the choice of either premier land blocks or quality house & land packages.

A PRIME CENTRAL POSITION

Bella Rise is the first of the new land releases in Riverstone. Unbeatably convenient, it lies within easy strolling distance of Riverstone's town centre, which retains a welcoming village appeal.

Occupying a prime position on Garfield Road, Bella Rise is just a brief walk to rail, shops,

dining options and beautiful local parklands. Riverstone's family friendly nature is evidenced by the abundance of renowned schools, with Riverstone Public, St John's Primary, Norwest Christian College and Riverstone High School all nearby. It's wonderfully close to major centres

such as Rouse Hill, Marsden Park and the thriving commercial hub of Sydney Business Park, home to leading enterprises such as Costco and IKEA, and an important source of employment. Local medical facilities such as Norwest Private Hospital are highly regarded.

ON THE MOVE

Bella Rise takes centre stage for the wonderful revitalisation planned for Riverstone, making it more exciting, dynamic and accessible.

Riverstone has been highlighted as one of the Top 10 Suburbs to take off in 2016 by national real estate commentators. Under Blacktown Council's Masterplan, the Riverstone Town Centre is poised for transformation into a thriving hub that allows for future growth. In addition to this, Riverstone will benefit from major infrastructure investment. The forthcoming Sydney Metro Northwest railway is due for completion in 2019. A station at nearby Cudgegong Road will include 1,000 car parking spaces, with the line taking you to the CBD in just 45 minutes. A \$550 million upgrade of the Hills M2 Motorway will also improve commuting time to Sydney city.
