16.2 If the Buyer requests an extension of the Settlement Date, the Buyer acknowledges and agrees that the Seller may charge the Buyer an amount of \$220.00 for each extension of the Settlement Date granted to cover the Seller's expenses associated with each extension.

16.3 The Buyer must pay any amounts payable pursuant to Special Conditions 16.1 and/or 16.2 by way of Bank cheque or trust cheque or an adjustment at Settlement as directed by the Seller.

16.4 This Special Condition does not constitute a promise by the Seller to agree to any extension of the Settlement

Date or the Finance Date and time remains of the essence for those conditions.

17. Releases and Title

- 17.1 The Buyer will only be entitled to receive a PPS Release from a Secured Party in respect of a Security Interest registered on the PPSR where the Land is specifically described (in whole or part) under that Security Interest. The onus of demonstrating that the Land is specifically described (in whole or part) under a Security Interest is on the Buyer and is to be demonstrated to the Seller on or before 7 days before the Settlement Date.
- 17.2 If the Land is subject to mortgage(s) or other adverse Encumbrance(s) (except those authorised or permitted by this contract) then the Buyer must accept on Settlement an unstamped but signed release of mortgage(s) or withdrawal, surrender, removal or revocation of such adverse encumbrance(s) by whatever means permitted by the relevant authority and any other documents or declarations necessary to procure the stamping and registration of that release or withdrawal.
- 17.3 No paper certificate of title for the Title will be provided at Settlement. The Buyer acknowledges that the titling arrangements practised by the Queensland Land Registry are computerised so that a paper certificate of title is not issued unless requested by the registered owner. The Seller will not request a paper certificate of title and the Buyer must not Object to not receiving a paper certificate of title at Settlement.

PART F. ADJUSTMENTS

18. Adjustments

- 18.1 If there is no separate assessment of Outgoings (other than land tax) for the Land at the Settlement Date, then at the Seller's election:

 - (b) the Buyer must accept the Seller's undertaking (which is given) that it will pay its proportion of any Outgoings up to and including the Settlement Date on issue of a separate assessment, and no adjustment will be made at the Settlement Date.
- 18.2 If land tax is unpaid at the Settlement Date and the Office of State Revenue advises that it will issue a final clearance for the Land on payment of a specified amount, then the following will apply:
- (a) at the election of the Seller, land tax will be apportioned on the greater of the specified amount or the amount calculated under clause 2.6(4) of the Terms of Contract;

 - (c) the Buyer will not be entitled to any retention from the Balance Purchase Price, nor will the Buyer require payment of, any outstanding land tax on or before the Settlement Date;
 - (d) land tax will be treated as paid at Settlement; and

 - (c) no adjustment is to be made in respect of water usage.
- 18.4 The Buyer agrees that the provisions contained in this Special Condition are balanced, fair and reasonable and

are aimed to facilitate an uncomplicated process to effect Settlement.

- 18.5 If Settlement does not occur on the Settlement Date due to the Buyer's default, or the Settlement Date is extended by agreement between the Parties following a request for an extension by the Buyer, then Outgoings, at the Seller's election, may be adjusted as if Settlement took place on the original Settlement Date determined under this contract.

19. Settlement Statement

- 19.1 Prior to Settlement, the Seller may give to the Buyer a Settlement Statement.
- 19.2 If the Buyer considers that there is an error or omission in respect of anything contained in the Settlement Statement, the Buyer must, within 3 Business Days after receipt of the Settlement Statement and in any event before the Settlement Date, give to the Seller a notice which clearly specifies the error or omission.
- 19.3 If the Buyer does not comply with the requirements of Special Condition 19.2:
- (a) the Buyer cannot later Object or assert that the Seller was not ready, willing or able to effect Settlement because of an error or omission in the Settlement Statement; and
 - (b) the Settlement Statement is taken to be correct and to list all the Settlement Materials.
- 19.4 The purpose of this Special Condition is to require the Buyer to notify the Seller well before the time for Settlement if the Buyer considers that there has been an error in the calculation of Settlement adjustments and figures or an omission in the list of Settlement Materials.
- 19.5 The Seller may, at any time before Settlement, give the Buyer an updated or amended Settlement Statement and the provisions of this Special Condition apply to that updated Settlement Statement.
- 19.6 Nothing in this Special Condition prevents the Seller from recovering any shortfall in payment of the Purchase Price after Settlement.

In view of this, it will be necessary for you to contact the Department of Agriculture and Fisheries to investigate the site and for you to implement any necessary matters required by that Department prior to the commencement of any works.

- 25.4 Subject to the Special Condition titled "Retraction of Acknowledgments or Promises", the Buyer promises the Seller that it has received a copy of the Development Approval and that it has read or has had the opportunity to read the Development Approval before signing this contract and has satisfied itself or has had the opportunity to satisfy itself in regard to all matters contained within the Development Approval.

29.3 If the Seller's Solicitor has received a signed undertaking from the Buyer's Solicitor that the Transfer Documents will be used for stamping purposes only pending Settlement, the Seller will, at the relevant time, lend the Transfer Documents to the Buyer's Solicitor without charge for stamping prior to Settlement if the Seller sees fit to do so.

29.4 Each Party authorises the other Party and their solicitor to make any necessary amendments to the Transfer Documents so as to rectify any inaccuracies or complete any omissions.

33.2 If this Special Condition applies, then during the time that the Buyer is entitled to exercise the Legislative Termination Right, the Seller may give a notice to the Buyer requiring that the Buyer, within a period of 10

Business Days after the notice is given, either:

- (a) exercise its Legislative Termination Right (and cancel, withdraw from or terminate this contract); or
- (b) by notice to the Seller affirm this contract and waive the benefit of the Legislative Termination Right, failing which the Seller may, at any time after expiry of the 10 Business Day period, and while the Buyer is entitled to exercise the Legislative Termination Right, itself terminate this contract. If that happens:
- (c) the Deposit and Interest must be released to the Buyer; and
- (d) the Buyer has no further Claim against the Seller.

42.2 In the absence of a waiver in writing as permitted by Special Condition 42.1, no failure or forbearance by a Party to insist upon any right to performance of a condition or obligation of the other Party can amount to, under any circumstances, an election between existing rights, a representation sufficient to ground an estoppel or a variation whereby that other Party is relieved or excused from performance of such condition or obligation.

42.3 Waiver of a power or right is effective only in respect of the specific instance to which it relates and for the specific purpose for which it is given.

- 44.3 The Seller or its Nominee may bring onto the Estate (including the Land) any machinery, tools, equipment, vehicles and workmen to facilitate the carrying out of the Utility Infrastructure Works, provided that the Seller does not unreasonably interfere with the Buyer's enjoyment of the Land.

PART M. RETICULATED GAS

45. Reticulated Gas

- 45.1 The Seller has entered into an agreement with APT O&M (Qld) Services Pty Limited ("APT") (www.natural-gas.com.au) for the installation of natural gas infrastructure. APT may assign the agreement to Australian Gas Networks Limited ABN 19 078 551 685. The Buyer acknowledges that this agreement may terminate at any time and that natural gas infrastructure will only be installed if the agreement remains on foot.
- 45.2 The Buyer agrees that it must and must ensure that its agents, consultants, builders, contractors, invitees and other third parties not related to the Seller or APT cause no other utility assets or any other structure to be constructed directly above and in parallel to any gas main with a horizontal clearance of less than 250 mm. Where other utility assets (not installed by the Seller or APT) are found directly above the gas main, or with inadequate horizontal clearance, the Buyer is responsible for removing the other utility and any rectification costs. The Seller and APT will not be responsible for any costs associated with remediation. The Buyer acknowledges that APT reserves the right to withhold gas supply until the clearance is rectified or if it believes there is a risk to gas assets. The offset of the gas main should meet the following conditions, note that the standard offset is 2.1 metres:
- (a) horizontal clearance of 250 mm from any other asset; and
 - (b) vertical clearance of 150 mm when crossing any other assets.
- 45.3 The following minimum depths of cover will need to be maintained above the gas mains unless greater depth is stipulated by the relevant authority:
- (a) 750 mm final cover in new estates (600 mm is before installation of top soil to site);
 - (b) 800 mm final cover in established areas; and
 - (c) 1,200 mm final cover under nominated roads.
- 45.4 Prior to the Buyer being able to utilise natural gas, the Buyer will need to arrange a gas supply agreement with a natural gas retailer.
- 45.5 The Buyer acknowledges and agrees that any breach of Special Conditions 45.2 and 45.3 may prevent connection of the Land to the gas infrastructure or may require the Buyer to incur additional costs in order to connect the Land to the gas infrastructure following settlement.
- 45.6 The Buyer agrees and acknowledges that any additional costs payable as a consequence of a breach of Special Conditions 45.2 and 45.3 will be at the cost of the Buyer and the Buyer releases and indemnifies the Seller in this respect.
- 45.7 APT will determine the best design and use reasonable endeavours to supply every lot to enable prospective residents to connect to natural gas in accordance with the following:

- (a) lots with frontages less than 12.5m to be provided with a minimum of 1 connection access point, ie, one road crossing to one shared property boundary (if main not installed on the same side of the road);
- (b) lots with frontages greater than 12.5m wide (including all corner blocks and duplex sites) to be provided with 2 x connection access points - one at each shared property boundary (if main not installed on the same side of the road along the entire lot frontage);
- (c) 'battle-axe' lots - to be provided with one connection access point from the Council verge along the lot frontage. APT cannot install gas mains in private properties without owner's consent/easement acquisitions; and
- (d) Laneways - 'drive through lots' with two frontages - to be provided with one connection access point to one shared property boundary. APT to determine design based on clearances, overall design of reticulation and best accessibility to gas mains. Note: for laneways with reduced verge widths - gas mains cannot be installed in a 'common trench' where the verge is less than 700mm.

45.8 Where easements are required to install gas mains, the Land will be subject to such easement/s and the Buyer will not Object.

45.9 If the Seller enters into and maintains an agreement with APT as referred to in Special Condition 45.1 in the stage in which the Land is located, the Seller discloses to the Buyer and the Buyer acknowledges and accepts that:

- (a) the infrastructure will be located in the street and the Buyer must make all connections of the Land to the infrastructure in the street at its own cost;
- (b) the Buyer may elect to or elect not to connect the Land to the gas infrastructure;
- (c) the Buyer must comply with all directions of APT in relation to access to and construction of structures to and near its infrastructure including sufficient horizontal and vertical clearances and depths; and
- (d) prior to the Buyer being able to utilise natural gas, the Buyer will need to arrange a gas supply agreement with a natural gas retailer.

PART N. SPECIAL INFRASTRUCTURE LEVY

46. Special Infrastructure Levy

46.1 The Land is within a Priority Development Area under the *Economic Development Act 2012 (Qld)* (formerly an Urban Development Area which was administered by the Urban Land Development Authority).

46.2 The Seller discloses that the Land may be subject to the Special Infrastructure Levy for a period of 30 years from the date the Land is registered and the Buyer may not Object. As at 1 July 2016, it has been published by the Queensland Government that the special infrastructure levy will commence at a maximum charge of \$111.00 per annum. However, it is possible that the Special Infrastructure Levy may commence at a higher or lower amount and the Buyer must not Object. The Special Infrastructure Levy may be charged and collected by the Local Government at the same time rates and charges for the Land are charged and collected by the Local Government.

46.3 As at 1 July 2016, it has been published by the Queensland Government that the Special Infrastructure Levy will be indexed annually on 1 July in accordance with the following formula:

$$A \times (1 + B)$$

Where:

A is the special infrastructure levy immediately prior to the calculation (ie the special infrastructure levy for the previous financial year).

- B is the annual rate of the 3 year rolling average of the Queensland Roads and Bridges Construction Index (Index No 3101 as published by the Australian Bureau of Statistics)(expressed as a percentage to four (4) decimal places) calculated from that March which is three (3) years prior to the first March in the current financial year, to the first March in the current financial year.

$$B = (1 + x)^{1/n} - 1$$

Where:

n= 3 years

x = [(first March in the current financial year – March which is three (3) years prior to the first March in the current financial year)/ March which is three (3) years prior to the first March in the current financial year]

Below is an example of how to calculate indexation (B) for an adjustment on 1 July 2015:

March 2013 index is 104.1.

March 2010 index is 96.4.

So, x = [(104.1 – 96.4)/96.4] = 7.9876%

Therefore the annual rate of the 3 year rolling average is:

$$B = (1 + 7.9876\%)^{1/3} - 1$$

B = 2.5946%

- 46.4 However, it is possible that the Special Infrastructure Levy may increase at different rates and frequencies and the Buyer must not Object.

PART O. SELLER'S LEGAL FEES

47. Seller's Legal Fees

- 47.1 If the Buyer terminates this contract under the Finance Condition, the Buyer acknowledges that the Seller is liable for legal and administrative costs due to such termination.
- 47.2 Accordingly, the Buyer acknowledges and agrees that the Seller may charge the Buyer an amount of \$220.00 (including GST) if the Buyer terminates this contract under the Finance Condition to cover the Seller's legal and administrative costs.
- 47.3 The Buyer must pay the amount payable pursuant to Special Condition 47.2 as a deduction from the Deposit which is to be refunded to the Buyer upon termination of this contract under the Finance Condition.
- 47.4 The Buyer irrevocably authorises the Deposit Holder to retain from the amount of the Deposit to be refunded to the Buyer on termination of this contract under the Finance Condition, the sum of \$220.00 (including GST) in payment to the Seller of its legal and administrative costs. The retention amount of \$220.00 (including GST) is to be released to the Seller (or as the Seller directs) for its absolute benefit after (and not before) termination of this contract and the payment is conditional upon termination of this contract by the Buyer under the Finance Condition.
- 47.5 This Special Condition does not merge on termination of this contract.

PART P. GST WITHHOLDING

48. GST Withholding

- 48.1 If the Buyer's warranty in the GST Withholding Obligations in the Reference Schedule is not selected, then until otherwise notified by the Buyer, the Buyer will be treated as warranting that it is not registered for GST and is

not acquiring the Property for a creditable purpose.

- 48.2 If the Buyer is registered (within the meaning of the GST Act) and acquires the Property for a creditable purpose, the Buyer must give a written warranty by notice to the Seller stating this not later than 10 Business Days before the Settlement Date.
